HOW DOES RE:PUBLIC WORK?

The space is available for public and private events six days a week from 9 a.m. to 9 p.m. The only requirement is that the events are creative in nature. You can sell work, make your event free, charge a fee or request donations to support your future creative endeavors. **It's up to you!**

WHY CHOOSE US?

- The **space is a chameleon**. Spoken word performance? No problem. Youth art class? Bring on the paint. Gallery show? We have 3 large walls to hang art.
- We **don't take a percentage on any event ticket sales or commission fees**. If you sell it or earn it you keep it.
- **Location. Location. Location**. Approximately 1 mile from Massachusetts Ave. and less than one (1) block from a bus stop on East 10 street. Ample street parking, plus several spaces beside the building.
- It's the **perfect size for a small, intimate event** with standing room for 40 or 25 seated. However, if you need a larger space, the **two large garage doors open up in the front of the building**, expanding capacity and blurring the lines between outdoors and indoors. Plus, we have a greenspace available next to the building.
- **Free promo support**. If you provide event materials - descriptions & photos, we'll promote your event on our social media! Free exposure.
- **ADA Accessible**. The building doesn't have any stairs and we have an ADA restroom.
